Australia Business Visa

A business visa offers a number of advantages including a Work permit visa of up to 4 years and the applicant's immediate family members listed on the application to live, work and study in Australia with them. At LOGICALPLATEAU, we have a team of expert consultants that guide you through processes like process and visa application, eligibility assessment, and ensuring that the application for visa is submitted and processed successfully within an appropriate time period for you to easily travel to Australia.

With a comprehensive economic policy framework, Australia offers a highly competitive market which has a sound, stable and modern infrastructure that serves as an ideal destination for investment. There are the two major reasons that make Australia a favored destination for doing business.

Business and Investor Migrants

Visas fall into two main categories:

- **Provisional visas** are pathway to permanent residency in Australia
- **Permanent residency visas** allow migrants to live and work in Australia

There are a number of visa options for new business and investors:

- Business Innovation and Investment (Provisional) (subclass 188) visa
- Business Talent (Permanent) (subclass 132) visa

Existing business and investor visa holders may be eligible to apply for one of the following visas:

- Business Innovation and Investment (Permanent) (subclass 888) visa
- Business Owner (Residence) (subclass 892) visa
- Investor (Residence) (subclass 893) visa

PROVISIONAL VISAS

Business Innovation and Investment (Provisional) (subclass 188) visa

The Business Innovation and Investment (Provisional) visa (subclass 188) is part of the Business Innovation and Investment Programme.

You must submit an Expression of Interest (EOI) through SkillSelect and be nominated by a state or territory government or Austrade on behalf of the Australian government before being invited to apply for this visa.

The visa (Subclass 188) includes four streams:

- **Business Innovation stream:** for people with business skills who want to establish, develop and manage a new or existing business in Australia. Applicants must be nominated by a state or territory government.
- **Investor stream:** for people who want to make a designated investment of at least AUD1.5million in an Australian state or territory and maintain business and investment activity in Australia. Applicants must be nominated by a state or territory government.
- **Significant Investor stream:** for people who are willing to invest at least AUD5million into complying significant investments in Australia and want to maintain business and investment activity in Australia. Applicants can be nominated by a state or territory government or Austrade on behalf of the Australian government.
- **Premium Investor stream:** for people who are willing to invest at least AUD15million into complying premium investments in Australia and want to maintain business and investment activity in Australia. Applicants must be nominated by Austrade on behalf of the Australian government.

Holding this visa is the first stage before becoming eligible to qualify for a Business Innovation and Investment (Permanent) visa (subclass 888).
